

AGA25 IAMUC – Poster Presentation Guidelines

AMET University is hosting the **AGA25 International Association of Maritime Universities Conference (IAMUC 2025)**. As part of the conference, poster presentations will be displayed in the conference centre.

Guidelines for Poster Preparation

1. **Size and Orientation**
 - Posters must be **portrait-oriented**.
 - Dimensions: approximately **2–3 feet (0.6–1.0 m) wide** and **3–4 feet (1.0–1.33 m) tall**.
2. **Title and Authors**
 - Use a **short, concise title** in at least **96-point font** for visibility.
 - Include **author names and affiliations** beneath the title in smaller font.
3. **Layout**
 - Divide content into **2–3 columns**.
 - Use visuals (charts, images, diagrams) to enhance readability.
 - Maintain **~35% blank space** for a clean look.
 - Posters should be scannable within **3–5 minutes**.
4. **Content**
 - Keep text concise, use **bullet points** where possible.
 - Organize under headings such as *Abstract, Methods, Results, and Conclusions*.
 - Minimum **24-point font** for readability from 3–5 feet away.
5. **Graphics**
 - Use **high-resolution images (≥300 dpi)**.
 - Avoid pixelated or distorted visuals.
 - Resize proportionally to retain clarity.
6. **Fonts and Text**
 - Recommended: **Sans serif fonts (Arial, Helvetica)** for headings, **Serif fonts (Times New Roman)** for body text.
 - Use **sentence case**, avoid ALL CAPS.
 - Apply bold/italics sparingly.
7. **Colors**
 - Use a **solid, plain background**.
 - Choose a consistent **2–3 color scheme**.
 - Avoid overly bright or distracting colors.
8. **Presentation**
 - Prepare a **brief poster pitch** to summarize your research.
 - Be ready to present key findings, answer questions, and receive feedback.
 - Consider adding a **QR code** or handouts for additional information.
9. **Printing**
 - Authors are requested to print posters at their own and bring them to the venue.
